

WHAT IS COVERED

This Service Contract covers sudden and unforeseen failures or breakdown of electrical and mechanical components of your vehicles at a reasonable cost of repair or replacement of any covered parts. Carfix workshop shall access and decide on the replacement parts for your vehicle.

Covered Components

• Engine

Gasoline Engine – Cylinder block, and all internal lubricated parts including; crankshaft, rod and main bearings, cam bearings, expansion (freeze) plugs, connecting rods, wrist pins, pistons, piston rings, camshaft, cam tower, lifters, cylinder head, valves and guides, valve springs, rocker arms (cam followers), pushrods, timing chain housing (cover), timing chain and sprockets, intake and exhaust manifolds, flywheel, balance shafts, harmonic balancer and retainer bolt, crankshaft pulley, valve covers, oil pan, oil pump and pressure relief valve, engine oil cooler hoses, oil filter adapter/housing, engine oil sending unit, water pump, temperature sending unit, thermostat, and housing, fuel supply pump, vacuum pump, dipstick and tube, fasteners for components listed above.

Turbocharged / Supercharged / Rotary / Diesel / Enhanced Engines - All of the above listed parts or equivalent plus; turbocharger, waste gate controller, intercooler, hard lines, compressor, clutch and pulley, bypass valve, injection pump, lines and nozzles.

(Gasket and seals alone, are not covered)

• **Transmission**

Automatic – Case and all internal lubricated parts including; oil pump, valve body, torque converter, vacuum modulator, governor, main shaft, clutches, bands, drums, gear sets, bearings, bushings, sealing rings, solenoids, electronic shift, control unit, cooler, cooler hoses, and hard lines, dipstick and tube, fasteners for the components listed above.

Manual – Case and all internal lubricated parts including; main shaft, gear sets, shift forks, synchronisers, bearings, bushing, fasteners for the components listed above.

Transfer Case – (4X4 vehicles) – Case and all internal lubricated parts including; main shaft, gear sets, chain and sprockets, bearings, bushings, mounts, fasteners for the main components listed above, electronic and vacuum engagement components.

• **Front Wheel Drive**

Final drive housing, and all internal parts including; carrier case, gear sets, chain and sprockets, bearings, bushings, axle shafts, universal joints, constant velocity joints, locking hub assemblies (4X4), drive shaft support, fasteners for the components listed above.

• **Rear Wheel Drive**

Drive axle housing, and all internal lubricated parts including, gear sets, bearing, bushings limited slip clutch pack, axle shafts, propeller shafts, universal joints, drive shaft support, fasteners for the components listed above.

• **Braking System**

Anti-lock brake system (including electronic control unit, actuator, wheel sensors and brake hoses), master cylinder, assist booster, wheel cylinders, combination valve, disc brake calipers (and rear caliper actuators), hard lines and fittings, backing plates, springs, clips and retainers, self-adjusters, parking brake linkage and cables, fasteners for the components listed above.

- **Steering Mechanism**

Housing/case and all internal lubricated parts including; rack and pinion equipped valve assembly, sector shaft, rack mounts and cushions, inner rod ends and bellow boots, speed sensor or steering gear equipped pitman shaft and valve assembly, sealing rings, bearings, bushings, pitman arm, center link, tie rods, idler arm, power steering pump and pulley, fluid reservoir, pressure and return hoses, cooler and hard lines, power cylinder assembly, steering main and intermediate shaft, coupling, fasteners for the components listed above. (Does not include "rear wheel steering" components)

- **Air Conditioning**

Compressor, compressors clutch & blower motor

- **Fuel System**

- **Ignition System**

- **Cooling System**

Engine cooling fan motor; water pump

- **ECU (Engine Control Unit)**
